

DESS-rummet (the DESS Lobby) is an exclusive service for the members of DESS. It is meant to make it easier for you to get access to music, films and videos, photos, articles etc which are hard to find, never issued commercially or out-of-stock.

The Lobby is protected by a password, which is only given to members. The password for May-June was sent out by email today. Please, do not distribute it to non-members.

In the section "Månadsgodis" (=Goodies of the Month), 4-5 rare concerts or broadcasts will be presented for listening and downloading every month.

The "goodies" for the month of May are:

- Two broadcasts from El Patio Ballroom i Denver, Colorado 14 och 15 July 1942
- The concert in Hamburg 10 June 1950
- Picadilly Ballroom in Chicago, Illinois 11 October 1961 (opening part)
- Program 1 and 2 in the Danish Radios series of programs based on Mercer Ellington's donation of tapes and records

An example of the music offered can be heard in the post in Swedish. It is from Cops (Asphalt Jungle Theme) from Picadilly Ballroom.

Make good use of the offer! It will not be available after 31 May.
