Michael Kilpatrick

He is a baritone saxophonist, transcribing and performing Duke Ellington's works with his Cambridge-based orchestra, Harmony In Harlem.

Kilpatrick's transcription of Such Sweet Thunder was performed at the Royal Albert Hall for the 2016 BBC Proms as part of the Shakespeare 400th anniversary celebrations.

He has worked extensively on the Duke Ellington Collection at the Smithsonian Institution, identifying hundreds of untitled manuscripts and bringing to life the previously unheard Ellington.
